FOR IMMEDIATE RELEASE

Morgan White Group Confirms the Passing of Johnny Morgan, Senior Vice President and Co-Founder

Ridgeland, MS – May 18, 2023 — With heavy hearts we can confirm the tragic news of the death of Johnny Morgan in a plane crash that occurred Wednesday, May 17, 2023. Mr. Morgan, who was the only person on board the plane, was a very experienced pilot. The cause of the accident is unknown and is under investigation by the FAA.

The Morgan White family mourns the loss of our co-founder and friend. Johnny was a driving force behind the formation and growth of the company, especially in the early years. More than that, he was a friend to those around him. He loved Oxford, Ole Miss, and all things Mississippi.

“It is heart breaking to lose a business partner and friend of 56 years,” says David White, CEO and co-founder of Morgan White Group. “We’ve known each other since college, and he was more like a brother than a business partner.”

Mr. White adds, “The company that Johnny helped build is very strong and will continue to be his legacy for decades to come.”

The Board of Directors and senior management have worked to ensure that MWG is prepared to continue in his absence. There will be no changes to business operations or management.
